An estimated 1,000,000 people have been displaced in the border states since 1996.

At least 268,000 internally displaced people are currently living in hiding.

At least 365,000 people are currently resident in more than 176 forced relocation sites.

43,000 people have arrived in refugee camps along the border since 1996.

At least 100,000 Shan refugees have arrived in Thailand, joining the already very large 'illegal migrant' population.
